Continuation of Substance of Interview including description of the general nature of what was discussed: In response to the Office Communication dated 23 April 2004 (Specifically the drawing informalities), Ms. Baxam proposed amending the specification to insert the sequence (SEQ ID NO: 7) previously identified as "Figure 1". The inserted text would be added as pages 31-33 and would replace the pages cancelled by the Examiner's Amendment dated 23 April 2004. The inserted text would be identified as "SEQ ID NO:7" rather than "Figure 1". Also, any references to the figure would be changed to "SEQ ID NO:7". It was agreed to make the proposed changes by Supplemental Examiner's Amendment. Since the application does not include any drawing figures, the requirement for corrected drawings set forth in the Office communication dated 23 April 2004 is no longer applicable and has been withdrawn.
